REBATE
FOR
COMMERCIAL/INDUSTRIAL
MEMBERS

Consolidated Cooperative's Commercial & Industrial (C&I) Improvements Rebate Program encourages member businesses to promote the value of energy efficiency by funding the purchase of specific energy-efficient equipment.

Eligible equipment includes electric chillers, high-efficiency air compressors with variable frequency drives, high-efficiency motors, high-efficiency battery chargers, LED lighting with sensors for refrigerated cases, occupancy sensors/controls for LED lighting, occupancy sensors/controls for HVAC, open refrigerated case door retrofits, and variable frequency drives for HVAC.

SPECIFIC REQUIREMENTS: This program is applicable to commercial and industrial business facilities only. Residential members are not eligible.

An on-site visit is required to confirm installation of the project. Equipment must be purchased and installed between January 1, 2019 – June 30th, 2020.

Only one C&I Improvement Program rebate will be granted per C&I business-member per fiscal year (July 1 - June 30), and cannot be combined with other co-op incentive payments or programs for additional funding of equipment.

*Consolidated's rebate on C&I improvements is limited. The offer expires when funds are depleted on a first-come, first-served basis, or when the program is discontinued.
